

East Elementary School  
Library Plans  
By Ms. Boyd (School Librarian)

I. **Library Mission Statement:** *The elementary library will help students excel academically by fostering readers and researchers through collaborative efforts between teachers and the librarian.*

II. **Five Year Plan**

a. **Goal 1:** To establish an academic environment that will foster future readers and researchers.

i. **Objective 1:** A library that is designed equipped to satisfy the constant changes in technology, research, and information.

1. **Measurement:** By the end of the completion of a student's elementary career, the student will be able to utilize all sources of resources properly.

b. **Goal 2:** Build a collaborative teaching environment that will support students' academic success.

i. **Objective 2:** Develop an online virtual curriculum that will allow students easy access to classwork materials.

1. **Measurement:** All classroom teachers will have an online classroom that will be used by all students within five years.

III. **One Year Plan**

a. **Goal 1:** The Library will become know for its different resources that it offers.

i. **Objective 2:** To library will provide updated books and information that will nurture a student's love for reading and discovery, books that juvenilles enjoy reading.

1. **Measurement:** By the end of the school year, students will have enhanced their love for reading and the library. This will show in reading test scores.

b. **Goal 2:** Introduce the importance of sharing or co-teaching between teacher and librarian.

i. **Objective 2:** Actively support teachers' requests with research and lesson discovery by providing schedule collaborative time for each grade level teacher.

1. **Measurement:** By the end of the school year, the library will have as many as possible resources needed by teacher and student. This plan will be successful once the collaborative schedule with teacher and librarian is active.
